

February 2, 2010

Dear Parents,

Thank you for your support during the Science Fair projects. I think the Fair was a great success. It is my intention that the students learn about the scientific method as well as learning that Science is connected to the world around them.

The students have already or will soon be receiving their graded reports. Please go over these with them.

As far as their display boards: I need to know what you would like me to do with them. (Be nice.)

Please indicate below and return the slip to me by Friday, February 5. Pick ups must be made before Friday, February 12. If I do not hear from you, I will assume you do not want the display board and any props and they will be disposed of.

Thank you,

Mrs. Buchholz

Name of Student \_\_\_\_\_

Grade \_\_\_\_\_

\_\_\_\_\_ I will pickup the display board on \_\_\_\_\_ (by February 13).  
(date)

\_\_\_\_\_ Please dispose of the board.
